6th Grade Eagles Mathematics Rocks!

Chris
Mathematics Reporter

The adequate eagles are engaging in mathematics! That's right, the 6th grade eagles of Sussex Central Middle School are now on book two in math. Mr. Throm, the math teacher, is one hilarious dude! He makes everyone laugh

and he teaches us about math. Right now we're learning about fractions and decimals in our "Bits and Pieces" book number 1. Benchmarking and multiplying sure is quite hard, but Mr. Throm makes math easier.

Advice with Drs. Bill & Bob

These are tips to help you be a better student.

- ~ Always do your best
- ~ Stay organized
- ~ Help others
- ~ Stay focused
- ~ Listen and learn
- ~ Take notes when possible
- ~ Don't cheat
- ~ Don't do drugs
- ~ Choose your friends responsibly

Sports Scores with Jonathan

COMING SOON!

This column will be published when sports start back up. This column is only our school's sports scores.
